

# Junee Baptist Church

Corner Orr and Main Streets Junee

7<sup>th</sup> April 2019

## Welcome!

"In view of all this, we are making a **binding agreement ('cutting a covenant')** putting it in writing, and our leaders, our Levites and our priests are affixing their seals to it ... The rest of the people — priests, Levites, gatekeepers, musicians, temple servants and all who separated themselves from the neighbouring peoples for the sake of the Law of God, together with their wives and all their sons and daughters who are able to understand — all these now join their fellow Israelites the nobles, and bind themselves with a curse and an oath to follow the Law of God given through Moses the servant of God and to obey carefully all the commands, regulations and decrees of the LORD our Lord ... The people of Israel, including the Levites, are to bring their contributions of grain, new wine and olive oil to the storerooms ... We will not neglect the house of our God" -

Nehemiah 9:38; 10:28-29, 39  
NIV

The Israelites came together to Read the Word and Worship God, then Confess their Sin, finding again a real sense of Spiritual Community " ... like we need to do in Junee Baptist Church. Soon!!! Our gracious God is doing a new thing amongst us – As with them!! He desires once again to be at the centre of their, and our, attention and worship!! Be ready to seriously Commit! And then be prepared to keep to what you promise!! He will require it all of you ...

Blessings to you, in Faith and Hope in Him, Believing and Praying, Ps Allan

## **WHAT IS GOD SAYING TO US THIS WEEK?**

We appear to have got “stuck” in our move to get the Church moving!

“And when He had come into the house, His disciples asked Him privately, “Why could we not cast it out?”<sup>29</sup> So He said to them, “This kind can come out by nothing but prayer and fasting.” Mark 9:28–29. Should this apply to us?

***SOMETHING TO PONDER:***  
***"binding agreement ('cutting a  
covenant')". We made one, (A  
COVENANT) with Allan before  
his arrival and it has not been  
ratified individually – perhaps  
it's time we did and follow his  
lead!!***
